**Hello All!** "April is a fantastic time to visit Florida. The weather is getting warmer, the days are getting longer and as the spring-break crowds fade, the prices drop."

### **First, a Message from our Resident Board**

Hello Coach House Residents:

April brings us to the last meeting of the season. Please welcome the new board members who have agreed to serve the community for two years and hopefully longer.

The board reorganized immediately after the February Annual meeting. The new board officers are – President – Ronald Lottig, Vice President – Jerry Caward, Jr., Treasurer - Diane Hillard and Secretary - Marsha Rolston. Please wish them well going forward.

We hope everyone has had a great winter here at Coach House. There were a lot of activities throughout the season and I hope everyone enjoyed as many of them as possible. I look forward to an activity filled season for the 2024-2025 season.

Hopefully the management and owners will complete the large number of projects that have been started throughout the community. Please be safe this summer in your travels and all you do. I look forward to seeing everyone in November.

Ronald Lottig – President

Coach Residents Inc.

*Dear Residents,*

*I need your help in trying to get our records straight. Way back in the beginning the blue card was used for voting right, all they did was write your name down.*

*If you have a blue card, either sign my sheet at the Resident Board meeting with your name, address and the year you moved into your place. OR contact me.941-266-5692.*

*Thank you, Diane Hillard, Treasurer of the Resident Board.*

### **From Activity Board Chair**

By the time The Scoop comes out, I will only be here for a few short days, as I am leaving to see the Eclipse of the Sun on April 8. Jan Courtney along with Shauna Nye will be the ones to bring summertime events into reality along with many volunteers. They, of course, will need some help in the summer.

I wanted to point out that a great way to stay in touch with happenings over the summer is The Scoop and the whiteboard outside the main Rec Hall. When in doubt, the whiteboard is correct since The Scoop is published almost a month in advance.

Additionally, there are two Facebook pages. The first page, Coach House MHC Residents, is managed by the office and is a good resource to stay up to date on things happening in the park, like water shut off when necessary, water boil advisories and construction notices.

The second Facebook page, Coach House Mobile Home Community, is also a good resource for last minute event changes and reminders. We try to cross post as much as possible for residents and RVers to stay up to date.

I hope your summer is awesome and everything you want it to be. See you again in person in the fall.

-Kim Stanfill-McMillan,  
Activity Board President

# SUMMER SNOWBIRD PICNIC

All snowbirds including RVers, regardless of home state, are invited to attend the annual picnic in July. The location is Harrison Lake State Park which is just west of Toledo, Ohio. We'll gather on Tuesday, July 30 for a picnic lunch at noon. The Park has camping facilities ([www.reserveohio.com](http://www.reserveohio.com)) for those who wish to camp. The Sauder Village Inn in Archbold, Ohio is about 10 miles from the park and offers great accommodations (800-590-9755, 419-445-6408). Further information will be shared as July approaches. There are flyers in the Rec Hall. Please contact Linda Davis at 614-296-9301 or [davisLk77@gmail.com](mailto:davisLk77@gmail.com) if you wish to be included in future emails about this enjoyable event.

# Patti Lykins, Our In-House Realtor

Please thank Patti Lykins for her service selling homes here in Coach House. She has lived here for 17 years with her husband, George, and has been showing homes for 13 years. Before moving to Coach House, Patti worked in several RV or Mobile Home Parks as clerical help in their offices.

Patti recently announced she is retiring at the end of March. At that time, new clients who contact her will be referred to Dawn Brooks at Dawn's home on Desoto Avenue. Dawn is a licensed realtor, also.

In the past, Patti and George traveled many miles by motorcycle or by car and we sincerely hope they will still do so. And maybe, just maybe, they'll have more time to go out with friends for lunch.

Congratulations and best wishes in your retirement!

## Golden Years Banquet

The banquet was held on Saturday March 9. We welcomed two new couples into our club who had celebrated their 50th wedding anniversary this past year. Keith and Marsh Rolston (Ohio) and Dennis and Linda Chumley (Indiana).

Special recognition to the couples with 65 or more years of marriage. Bob and Lois Bacon (65), Larry and Connie Waldron (65), Roger and Connie Collard (67). The couple with the longest marriage was Jerry and Arlene Caward with 71 years on June 3.

Big thanks to the servers of the banquet. Phil and Flo Howe, Jerry Jr and Barb Caward, Dick and Kathy Rice, Gary Carr, Linda Lynch, and Jim and Judy Rhodes.

## Fun Places To Go To Within One Hour Of Our Community

### 1. Emerson Point Preserve --- Palmetto

Great place to walk or bike the trails. There is a small beach to hang out at or fish at. There are beautiful sun sets here. This is one of our favorites.

### 2. Soloman Castle --- Ona, Fla about 1 hr away

Unusual but very interesting Castle. Howard Solomon started building the castle early 1970's. It is made out of Aluminum and recycled items. You'll get to see his large collection of old automobiles. There is a restaurant and cafe there so you can have a bit to eat as well.

### 3. Egmont Key Island State Park -- close to Fort De Soto, St. Petersburg Fla about 45 minutes away.

To get to Egmont Key Island you go by ferry. Ft. Dade was there in the 1800's to safeguard the Tampa Bay area from imminent danger during the Spanish American War. It is home to a lighthouse and has a long history as a US Military outpost. During Seminole War it served as a temporary internment. A lot of history to see. There is also a beautiful beach to swim in, shells to collect as well as paved walking trails all over the island. Coast Guard is currently there.

### 4. Tarpon Springs --- 1hr and 10 min away.

This is a Greek town with Greek restaurants and shops that line the streets. Dolphin tours leave from Tarpon Springs often and head to Shell Island. On the way there's a good chance to see dolphins. Was called the Sponge capital of the world at one time. This was a fun Day trip.

For more information on any of the above just Google them.

# 90<sup>th</sup> Birthday Celebration

Fun was had by all at the 90th Birthday Celebration held on February 25th, 2024. There were seven honored guest this year. Ash Haught, Bob Perry, Bev Gibson, Pauline Silvernail, Phil Payne, Ray Ammeraal, Marilyn Keys. Steve Crawford was the MC for the event he did a great job and Fay Iden played the piano.

I also want to thank Kathy and Regina for their wonderful help in making the celebration successful

April Fools' Day or All Fools' Day is the yearly custom of practical jokes and hoaxes celebrated on April 1 st. Those who play jokes shout "April Fools!" at the recipient. There are many versions of setting aside a day for playing harmless pranks. The origin of April Fools is not certain. One of the first record of April Fools day was in 1392 AD in England. Other dates include 1508 AD, 1572 AD, and 1686 AD. Other countries have their own April 1st celebrations. Germany, Israel, Armenia, Ireland, Poland. and Ukraine all have their own versions of the holiday. Though there are many different jokes that can be played on another, some of the jokes include removing the white center of an Oreo cookie and replacing it with toothpaste. Another joke is to get itching powder onto the skin of an unsuspecting victim. Putting bubble wrap under the rug or carpet will surprise those walk across it. There is some concern when genuine news or a genuine important or warning is issued on April Fools' Day, there is risk that it will be misinterpreted as a joke and ignored. Don't be fooled. *Barb Page*

## Shuffleboard

Though the final season is over, you may come and shuffle when you want.

Our final Hoss Collar event of the season in March had 36 shufflers. Top prize winners were Jerry Caward Sr. (549), David Jones (501) and Barb Caward (494). Eight others received \$2 prizes, and as always the low scorer, who remains nameless (R.S.) got their \$1 entry fee refunded. Afterwards, everyone enjoyed grilled hot dogs and ice cream. A Bunny Shoot is also scheduled for March 27th. This is shuffleboard on an obstacle course. Results will be published in the May Scoop.

It's been a great season with up to 12 friends and neighbors participating in the daily Monday thru Friday shuffle/fellowship/exercise at 10 am. We take the hot summer season off, but maybe you'll plan to join us next season? See you at the courts!

**A special kind of shuffleboard is the "Bunny Shoot".** Shuffleboard will hold its final competitive event of the season, a 'Bunny Shoot', on **Wednesday, March 27th** at 1 pm. Think of it as playing shuffleboard on an obstacle course. There will be 6 different setups to perform. Shooting through a notch, from a chair, under a blanket, with your off-hand, etc. Everyone in the community is invited to come out to participate or just to watch the fun. Prizes for the top players!

## Singles Mingle

Looking for something different to do? Come out to the Pool Hall on April 12 at 6:30pm and join other singles for some fun and conversation. Meet some new friends, play a game or just enjoy sitting by the fire pit. We always have fun. We'd love to meet you!

## COACH HOUSE MEMBERS WORKSHOP:

We had our March meeting the first Thursday. Not a very big crowd, but some of the snow-birds flew the coop.

We got new heads for the compressor, installed them, working like a charm! So come and get aired up! That's about all folks. See you around the campfire. Tim Wincapaw.

**The county landfill is where you take construction debris.**

And we are looking for someone who would be willing to collect old electronics and make a run to the landfill on Lena Road periodically.

**Manatee County Landfill, 3333 Lena Rd., Bradenton. Monday through Saturday 8am to 5pm**

## Security

We are very happy to say that the park has been very quiet so far this winter as far as security is concerned. The time is coming soon when three of us will be heading back north for the summer and there will be a need for two patrollers and two or three radio base people to cover the time we are gone. It is not by any means a hard task and we think rewarding to help out locking the buildings and pool area and keeping the safety level up in our park. If you think helping out for 1 hour on 1 day a week is something you may be interested in or have any questions about please give me, Mike, a call at 585-813-2935. Thank you.

**If you see something not right, call the Sheriff at 941-747- 3011, when you hear a voice message, dial extension 2260, that will send you to a deputy. If you see a weapon, call 911 immediately.**

## Communion

Eileen and Michael would like to distribute communion to those within the Community who feel that they cannot get out to church. Please call us Saturday evening and we will distribute holy communion to you on Sunday late morning.

Looking forward to meeting you,  
May the love of God be with you all.  
Eileen and Michael, 410-781-7267

# Would you like to host an event in the park?

Putting on an event for Coach House Residents is not difficult. There are many people who would love to help you. Each of the events listed in The Scoop has a person who coordinated it. They would love to answer any questions you have. Also volunteering at one of the events you can learn a lot.

## Here are the steps for a successful event.

1. Think about what you want to do and where to do it.
2. Check the BIG calendar in the Rec Hall to see if the time and location is available.
3. Check with Jo Crawford to see if there is a budget already set for the event. If so follow that budget. If this is a new event then make a proposal at the Activity Board Meeting on the first Wednesday of the month following coffee hour (usually 8:45 am).
4. Line up committees to help you by putting sign-up sheets on the bulletin board. Typical committees are set up, serving, and clean up. Having these out one month in advance is helpful.
5. Fill out event paperwork for Doreen.
6. Order paper goods and items needed from the kitchen by giving a list to Linda Lynch.
7. Often Jan Loker or Diane Hillard do Decorations. These come out of the budget for the event.
8. Day before the event: remind committee members of their commitments.
9. Day of the event: Shop for food.
10. Run event and enjoy seeing all the happy faces.
