## Message from the President

Greetings, Featherock Residents! I hope this month's Quill finds everyone doing well.

For those who do not know, we lost another long-time resident of Featherock. We want to say, "So Long" to Irene Greene, and we know we will see her again. Join me in praying and thinking of Doreen and her family as they face the days ahead without "Mom". Irene was a lovely lady and would have turned 95 just a few days after she passed. God certainly blessed her with a good and long life.

As you know we were unable to get ELS to reduce our rent during our Mediation with them. Therefore, we are still looking at the full 5.75% increase that they quoted to us. That does not mean that we are just rolling over and just accepting what they say. Our attorney, Dan Perry, tells us that there are a couple of things we can do about our excessive rent. We, as the Board, feel that ELS just decided where they want to be for their investors, and they did not even consider what that kind of increase was going to do for the residents of Featherock. We will be having a meeting with our Attorney here at Featherock in the weeks ahead so that he can lay out what we may be able to do and answer any questions we may have. We will publish as best we can the date of that meeting so all who wish to attend can do so.

The weather this Spring has been very gracious to use, and we have not been experiencing the heat we normally do. With that in mind this is a good time for everyone to look around your homes for anything that may not be in line with our Rules and Regulations,

before Management begins their 360 Inspections again.

If you were unable to attend our Lunch and Learn with one of our insurance vendors, watch out for the next one and come out and see what may be available to fit your needs.

As you may have noticed, the winds we had during the 2nd week of April turned over the signboard at the park's rear entrance. We have utilized that board for some time as an effective way to get the word out to our residents. I have asked to see if it can be repaired but do not have an answer at this time. Hopefully, Management will find some time to get the front electronic sign where it is usable. Otherwise, it is just a \$2000 piece of junk that has been on the property for over a year. This is just another area where Management shows that they are not responsive to our residents.

## Message from the President

*(continued from page 1)*

We have had a good run this year at BINGO but as you know we will be taking a break for the summer as we usually do. Bingo will finish on the last Monday in May and will not start up again until the Monday after Labor Day. This gives our Bingo Workers time to take vacations and a time of rest and relaxation. During that time, we will continue to have our Monthly HOA Board Meetings, but we will not have a General Meeting during the months of June, July, and August unless the need arises to call for a special meeting.

Watch the Quill, as well as our weekly blast and our Facebook page for several things we have coming up from the HOA. We have a "Potluck" planned, as well as an ice cream social, and possibly a Labor Day Picnic.

We hope that you have a restful summer and if you need us for anything we will be available to you.

See you soon!

Jim Iverson  
HOA President

## Mensaje del Presidente

¡Saludos residentes de Featherock! Espero que el Quill de este mes encuentre a todos bien. Para aquellos que no lo saben, perdimos a otro residente de Featherock desde hace mucho tiempo. Queremos decirle "Hasta luego" a Irene Greene, y sabemos que la volveremos a ver. Únanse a mí para orar y pensar en Doreen y su familia mientras enfrentan los días venideros sin "mamá". Irene era una dama encantadora y habría cumplido 95 años solo unos días después de fallecer. Dios ciertamente la bendijo con una buena y larga vida.

Como saben, no pudimos conseguir que ELS redujera nuestro alquiler durante nuestra mediación con ellos. Por lo tanto, todavía estamos viendo el aumento completo del 5,75% que nos cotizaron. Eso no significa que nos demos la vuelta y aceptemos lo que dicen. Nuestro abogado, Dan Perry, nos dice que hay un par de cosas que podemos hacer con respecto a nuestro alquiler excesivo. Nosotros, como Junta, sentimos que ELS acaba de decidir dónde quiere estar para sus inversionistas, y ni siquiera consideraron lo que ese tipo de aumento iba a hacer para los residentes de Featherock. Tendremos una reunión con nuestro abogado aquí en Featherock en las próximas

semanas para que pueda exponer lo que podemos hacer y responder cualquier pregunta que podamos tener. Publicaremos lo mejor que podamos la fecha de esa reunión para que todos los que deseen asistir puedan hacerlo.

El clima de esta primavera ha sido muy amable de usar, y no hemos estado experimentando el calor que normalmente experimentamos. Con eso en mente, este es un buen momento, este es un buen momento para que todos miren alrededor de sus hogares en busca de cualquier cosa que pueda no estar en línea con nuestras Reglas y Regulaciones, antes de que la Administración comience sus inspecciones 360 nuevamente.

Si no pudo asistir a nuestro Almuerzo y Aprendizaje con uno de nuestros proveedores de seguros, esté atento al próximo y venga a ver qué puede estar disponible para satisfacer sus necesidades.

Como habrás notado, los vientos que tuvimos durante la 2ª semana de abril volcaron el letrero en la entrada trasera del parque. Hemos utilizado esa junta durante algún tiempo como una forma efectiva de hacer correr la voz a nuestros residentes. He preguntado si se puede reparar, pero no tengo una respuesta en este momento. Esperemos que la administración encuentre algo de tiempo para colocar el letrero electrónico frontal donde se pueda usar. De lo contrario, es solo una pieza de basura de \$ 2000 que ha estado en la propiedad durante más de un año. Esta es solo otra área en la que la administración muestra que no responden a nuestros residentes.

Hemos tenido una buena racha este año en BINGO, pero como saben, nos tomaremos un descanso durante el verano como solemos hacer. El bingo terminará el último lunes de mayo y no volverá a comenzar hasta el lunes después del Día del Trabajo. Esto les da a nuestros trabajadores de bingo tiempo para tomar vacaciones y un tiempo de descanso y relajación. Durante ese tiempo, continuaremos teniendo nuestras reuniones mensuales de la Junta Directiva de la Asociación de Propietarios, pero no tendremos una reunión general durante los meses de junio, julio y agosto, a menos que surja la necesidad de convocar una reunión especial.

Mira la pluma, así como nuestra explosión semanal y nuestro Facebook página para varias cosas que tenemos por venir de la HOA. Tenemos planeada una

## Communications and Announcements

For many years we have used the Quill as our main source of communication with you. However, Quill is only published monthly so when it comes to urgent information and updates, we would like to be able to get the information to you more quickly. For example, disruption in water service, emergency maintenance issues, mediation updates and weekly event notices would be sent via email. Facebook posts would include all of these items plus reminders for meetings and special events.

We are also creating a weekly event calendar that we will be sharing via email and on our Facebook page.

If you have an email address and would like to be on our email list, please email us at [fmhoa@outlook.com](mailto:fmhoa@outlook.com).

If you are on Facebook, please follow our page at "Featherock Mobile HOA".

Thank you!

## Featherock Library

First of all, thanks to everyone who has donated books and magazines to our small but well stocked library. The people that use the library truly appreciate your donations. I would also like to send a BIG THANK YOU to Dale Attardi. You do such an amazing job as our librarian. Thank you for always making sure things are so neat and tidy and for categorizing the books making them much easier to find.

We often don't appreciate how much time others give up to make our lives easier and special and sometimes, even when we recognize it, we don't acknowledge it.

So, Dale, we appreciate all of your hard work and appreciate you keeping our library going and making it such a special place. Thank you for all that you do!

Thank you!!

## A Few Reasons to Join the HOA

The homeowner's association is designated for the purpose of meeting with the park management to discuss issues affecting the residents. Some of the issues your HOA is here to address are:

- \* Pays for the attorney who disputes and negotiates to lower lot rent increases
- \* Addresses reduction in services/quality of services with management
- \* Addresses issues with the amenities
- \* Addresses changes in rules and regulations
- \* Addresses living conditions such as security and maintenance issues
- \* Acts as a liaison between residents and park management

A few other things your Featherock HOA does that you may not be aware of are:

- \* Publishes and delivers your monthly newsletter "The Quill"
- \* Publishes and delivers your yearly directory/ phonebook
- \* Hosts bingo and runs the bingo kitchen on Mondays from September to June
- \* Hosts daily/weekly/monthly activities such as Line Dancing, musical bingo, holiday events and parties, cooking contests, water aerobics, game night, etc
- \* Provides welcome packets to all new residents. Have you paid your \$12 annual dues yet? If not, why not?

*Thank you! Cheryl Barker*

## Bilingual Assistance Needed

We are in desperate need of bilingual or Spanish speaking residents to aid us with HOA projects.

Currently, we are looking for someone to join our membership committee and aid with renewals and new members. We also need someone for our welcoming committee to greet new residence and deliver packets of information.

Please contact any board member if you can donate 1-2 hours per week to help with special projects.

Thank you!

*Cheryl Barker*

## Se Necesita Asistencia Bilingüe

Necesitamos desesperadamente residentes bilingües o de habla hispana que nos ayuden con los proyectos de HOA.

En este momento, estamos buscando a alguien que se una a nuestro comité de membresía y ayude con las renovaciones y los nuevos miembros. También necesitamos a alguien para nuestro comité de bienvenida que dé la bienvenida a la nueva residencia y entregue paquetes de información.

Póngase en contacto con cualquier miembro de la junta si puede donar 1-2 horas por semana para ayudar con proyectos especiales.

¡Gracias!

## Hidden Gems

This month I would like to take a moment to thank Steve and Helen Anctil. At the beginning of April, when the stench from our waste treatment area was so unbearable, Steve and Helen contacted Hillsborough County Code Enforcement to file a complaint and to see if there was anything that could be done.

Code enforcement was quick to respond... They were here within 24 hours. They met with Steve and HOA Director, Rick Fitzgerald just outside the gate at the waste treatment area. After Steve and Rick explained what a long-term issue this had been and expressed fear as to whether this issue is affecting the health and well-being of our residents, code enforcement officer, Steve Willis, immediately contacted ELS regional management and demanded a prompt resolution.

As of the time this article was written, the odor seems to be under control. We owe a huge thank you to Steve and Helen for reporting the issue and to Rick for his continued monitoring and follow-up on the situation.

This is a fitting example of how utilizing resources through the state and county can help us improve the living conditions in the community.

## Just As A Reminder

I would like to remind everyone that as large as this community is, we only have two full-time maintenance people. While they are nice, friendly, and social, it is important to remember that for every 10 minutes they sit in front of your house chatting with you, that is 10 minutes that repairs, or maintenance are not being completed. That is also 10 minutes that everyone who lives here is paying for them to stand there and visit with you instead of performing maintenance and upkeep throughout the community.

This year we were hit with a 5.75% rent increase and I'm sure a portion of that money has to be set aside to pay our maintenance staff. I understand that there are issues that need to be reported or discussed, however that is why we have office staff. The ladies and gentlemen in the office are there to take your phone calls and address your concerns Please remember that while we all like to visit and socialize there are 519 other residents paying for each conversation you have with the maintenance staff.

There is also an ongoing problem with rules and regulations being selectively enforced throughout the community. For example, you may be given a notice to trim your shrubs while your neighbor's shrubs are in the same condition, but they did not receive a notice. If this happens to you, please be sure to take photographs documenting what your shrubs look like as well as what your neighbor's shrubs look like and forward those to any of your HOA board members. Another example of this issue would be mildew; one person may get a notice while another person does not. Again, please take photographs to show the condition of both properties and report this to any HOA board member.

We have also had several complaints lately about ELS staff members using intimidating and threatening language to residents in the Featherrock community. If anyone raises their voice to you, gets in your personal space and/or is threatening to evict you, those are all forms of harassment and intimidation. Should this happen to you please contact a board member immediately and they will advise as to whether a complaint should be made to ELS, the elder abuse hotline, or to the Hillsborough County Sheriff's Department. Remember this is your home and as long as you are being respectful you are entitled to the same respect.

Thank you, Cheryl Barker

## 4:6 United States Constitution Study

The first and third Tuesday of the month, from 3PM to 4:30PM, at the Clubhouse, our neighbor, Maggie Donahue will be facilitating a fascinating study of our Constitution, one of the greatest single documents in the history of the world.

We are continuing to study why it is so important for Citizens of the US to understand what this document is, and how important it is to continue to look to it for guidance.

All residents are invited to join us.
