As the days get shorter Lois and I are saying "WELCOME BACK YOU ALL" as more and more Snowbirds are showing up.

To us it's like seeing the first robin arrive in New York and the crocus peeking through the snow.

Many of you have commented to the staff how nice the park looks this year and we really appreciate the compliments.

Hopefully more is coming in the weeks ahead such as pavement repairs, new awnings for the clubhouse door on the North side and benches for the horseshoe courts.

Since many of you host activities along with what Prudy has planned, LET THE FUN BEGIN!

YARD OF THE MONTH

Congratulations to Brenda Poehner as the recipient of December's YARD OF THE MONTH. There will be a new YARD OF THE MONTH in January.

There is no soliciting allowed in our park. If you see any salespeople or meat trucks, etc. please report it to the office immediately.

EDITORIAL

By: Robin Vaughan

I hope your holidays were Merry and you enjoyed your time with family and friends. The New Year is upon us! Did you make a New Year's resolution? Now remember, I'm writing this in the second week of December. I've been trying to think of something that I can do to make a profound impact on my life – something I resolve to do! But I can't think about it right now because I'm heading to The Alley for bowling. Won't be able to do it later tonight because there is Trivia. Tomorrow we're having lunch with friends. I'm looking at my calendar and the Rice Creek calendar and thinking –

when am I going to have time to think about my New Year's resolution? It's a pretty good dilemma, as dilemmas go. There is so much going on in Rice Creek in the New Year! So many folks have stepped up to share their passions with all of us and have created new weekly activities! I love it! Give this month's calendar a good look over! I'm sure you'll find something that aligns with your interests. In the meantime, I'm thinking about my New Year's resolution – when I get a chance! Happy New Year!

DID YOU KNOW?

Unclaimed assets in the US and Canada total over \$70 BILLION? All States and Provinces have unclaimed assets; Florida has \$2.9 BILLION including \$610 MILLION in the Tampa/St.Pete region alone! Having read a recent news article, I tried inputting my name on <https://www.fltreasurehunt.gov/> and surprise, I have \$62.78 in an unused gift card. Yes, I'm going to claim it.

Not a resident of Florida? It may be worth the few seconds it takes to input your name on <https://www.missingmoney.com/>

NOTICE FOR ALL GUESTS

Please be advised that the RC trash barrels are ONLY for yard waste, limbs, grass clippings, etc. They are NOT to be used for construction materials, rocks, gravel or household garbage.

Also, remember, if you can't lift your barrel, chances are our maintenance men will also have a hard time lifting them. Use an additional barrel if needed.

Thank you in advance for your assistance in this matter.

Happy New Year! Hope 2024 will be safe & healthy for us all!

January 5th - brings happy news, a wedding! Lexi and Dan are exchanging vows in our hall. The whole park has been invited to the reception starting at 6:30pm.

January 13th – Charlie will entertain us. He is the young guy with the two little boys.

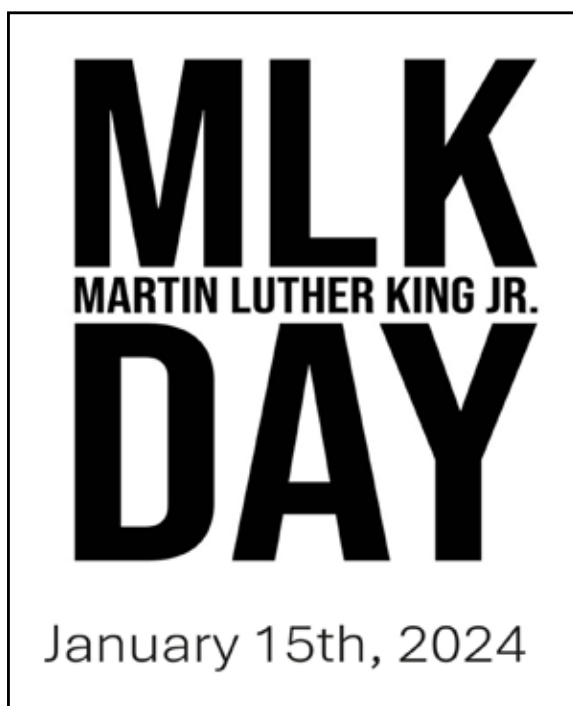

January 20th is our annual yard sale with state baskets. This is the “big sale”. We have 50/50, lunch and will raffle the baskets. Check the sign boards for the time.

January 21st – Skeeter’s memorial. For those who don’t know, Skeeter was a long-time employee of the park and passed in the fall. He was so well liked his partner Cathy wanted to have the service when most of the Rice Creek family was here.

January 28th – Bill D. Williams will be here. This is a must-see show! He bills himself as The Black Cowboy but plays all kinds of music.

We are still looking for couples who are celebrating their 50th Anniversary, so please let me know so we can celebrate this milestone.

Come and see me with any suggestions or concerns – or call anytime!

"Joyful January"

"A joyful heart is good medicine, but a crushed spirit dries up the bone." (Proverbs 17:22)

God is good and Jesus is coming back. He has great plans to prosper you and not harm you, plans to give you hope and a future. So, why not choose joy as a daily attitude when encountering people, places and things. God has made us in such a way that joy and humor are meant to be vital parts of our lives. Even when things go wrong, you can keep a merry heart. The joy of the Lord is our strength and will always guide us through life's most difficult moments. As we choose to delight in the Lord, joy can actually have a powerful effect on our heart, mind and spirit.

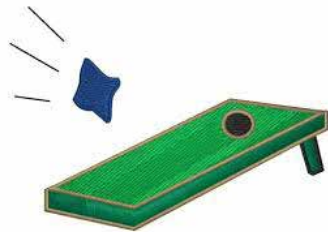

Join us in the hall for **Chapel Service every Sunday at 9:00am.**

Followed by fellowship coffee hour.

Please consider joining us this month! I promise that you'll be welcomed and want to return! Sometimes we share a group project, but often we bring and work on our own projects. We have talked about learning to make a crocheted basket this winter, which will accommodate both novice and experienced crocheters. Totally optional, of course! ScrapBag Quilters

By: Cathy Alexander

We have made over 250 quilts that have been donated to the pediatric ward in Brandon Hospital. When a child is admitted to the ward their bed is made up with a blanket or quilt that they take home with them when they are discharged. All the quilt tops are made with donated fabric. Bating and the flannel for the backings are purchased with money from the activities fund and some very generous donations from a gentleman in the park. All quilters and sewers are welcome. We meet on Thursday mornings from 9:00am to 12noon. Just bring up your sewing machine... we supply the rest. Pictures are from past years.

Yard Games

Bocce ball, ladder ball and corn hole games are available for your use and are located in the library.

A DAY TRIP TO DOWNTOWN ST. PETERSBURG

By: Doug Vaughan

Busy Downtown St. Petersburg is home to major attractions like the Dali Museum, in a striking concrete-and-glass building, and the Museum of Fine Arts, plus the Mahaffey Theater for concerts and dance. Green spaces line the waterfront, with skyline views and festivals at Vinoy Park and a marina and picnic sites at Demens Landing Park. Steakhouses, seafood spots, and chic New American restaurants mix with happening bars and clubs for evening entertainment.

Every Saturday from 9am – 2pm October thru May, St. Pete’s Saturday Morning Market opens with local farmers selling organic and sustainably raised fresh vegetables, fruits, and meats. There are also a great variety of artisan food vendors. (e.g. fresh seafood, baked goods, pastries, jams, chocolates, cheeses, salsas, chutneys, sauces, imported truffles, pickles, popsicles, spices, jerky, etc.). Hungry? Listen to live music while eating some of the styles of ‘ready-to-eat’ foods that are available (Greek, Italian, French, Belgian, German, Polish, British, Cuban, Mexican, Ecuadoran, Colombian, Thai, Ethiopian, Cajun, Vegetarian, and more). There are also a wide variety of juried craft vendors. <https://saturdaymorningmarket.com/>

The Dali (Salvador Dali Museum) celebrates the life and art of the influential and innovative artist. It is home to an unparalleled collection of over 2,400 Salvador Dalí works. The museum building was designed by architect Yann Weymouth and combines the rational with the fantastical. <https://thedali.org/>

The Museum of Fine Arts has an encyclopedic collection of art from around the globe and across the centuries, with almost 5,000 years of civilization represented in thousands of objects from antiquity to the present. The collection includes works by Georgia O’Keeffe, Claude Monet, Berthe Morisot, Auguste Rodin, Kehinde Wiley, Jacob Lawrence, and many others, as well as ancient Greek and Roman, Asian, African, Art of the Americas, and Native American art. The museum’s photographic collection is one of the largest and most significant in the Southeast. The MFA has been repeatedly named the best art museum in the Tampa Bay area. <https://mfastpete.org/>

The St. Pete Pier, a landmark pleasure pier extending into Tampa Bay from downtown St. Petersburg. The current pier was opened in 2020, after having been several different structures over the years beginning in 1899. The Pier District hosts 26 acres of water sports, parks, restaurants & outdoor concerts. <https://stpetepier.org/>

The Morean Arts Center hosts the permanent Chihuly Collection. World famous Dale Chihuly is a pioneer of the studio glass movement, as is credited with transforming the methods of creating glass art and thereby leading the development of complex, multi-part glass sculptures and environmental art. <https://moreanartscenter.org/>

Here are some of the vegetables and fruits readily available in January:

Broccoli, brussels sprouts, cabbage, carrots, cauliflower, celery, naval oranges and strawberries.

Have you ever heard of Florida's Honeybells? It looks like an orange but it's not. It's a citrus fruit that is a cross between a tangerine and a grapefruit. It's super sweet and delicious! Only harvested in January and maybe the first two weeks of February. It's hard to find, in high demand, and therefore, in very short supply. Try it if you can find it!

Keep an eye on the sky! There are rocket launches scheduled for January 10 @ 7:00 pm; January 12 @ 11 pm; and January 30 @ TBD. As always, these dates and times are fluid. Keep checking the internet. There are two launch sites adjacent to one another: Kennedy Space Center and Cape Canaveral. Cape Canaveral is an Air Force Base while Kennedy Space Center is NASA owned and operated.

COOKING CORNER

This month is all about comfort food and taking advantage of the availability of local produce. Hope you enjoy!

Chicken Broccoli Cauliflower Casserole

Ingredients:

- 4 cups broccoli florets
- 4 cups cauliflower florets
- 2 tablespoons olive oil
- 1 cup chopped onion
- 2 cloves garlic, minced
- 2 tablespoons all-purpose flour
- ½ teaspoon salt
- ½ teaspoon ground pepper
- 2 cups reduced-fat milk
- 2 ounces reduced-fat cream cheese at room temperature
- 1 cup grated Parmesan cheese, divided
- 3 cups shredded or chopped cooked chicken

Directions:

Preheat oven to 375 degrees. Grease an 8-inch square baking dish.

Steam the broccoli and cauliflower however you steam vegetables until almost tender. Transfer onto a baking sheet and pat dry.

Heat oil in a saucepan over medium heat. Add onion, cook stirring until it starts to soften, about 3 minutes. Add garlic stirring for about 1 minute. Sprinkle flour, salt and pepper; cook stirring for 1 minute. Increase heat to medium-high and whisk in milk and cream cheese. Cook whisking until the cream cheese is incorporated and the sauce has thickened, about 2 to 3 minutes. Remove from the heat and stir in ¾ cup of Parmesan cheese. Add the broccoli, cauliflower, and chicken, and stir to coat. Transfer to prepared baking dish. Sprinkle with remaining ¼ cup of Parmesan cheese.

Bake until bubbling around the edges and lightly browned on top, about 20 minutes.

COCKTAIL OF THE MONTH:

Gin is all the rage nowadays. It was originally created by a Dutch chemist, whose intention was to make an elixir that would cleanse the blood of folks suffering from kidney disease. England mass produced gin and made it affordable to the masses. It was nicknamed mother's ruin and was the downfall of many. The use of botanicals during distillation is what sets gin apart from vodka. Its dominant flavor and aroma are from juniper berries, which are required for the liquor to be called gin. Beyond that, some distillers add botanicals such as almond, anise, coriander, fennel, and citrus peels.

Tonic water is a carbonated drink known for the inclusion of quinine. Quinine is made from the bark of a tree native to Central America. Bitter quinine is valued for its antimalarial properties. It was combined with effervescent water in the late 18th century. Tonic water was a medical drink used as a preventative for malaria.
