## Manager's corner

By Bill & Lois Brimmer

Welcome to the late arrivals!

It has been said that the first snowbirds to arrive are the hummingbirds, song birds, monarch butterflies, and water fowl. Now, the only things left to arrive are the old buzzards 😊!

There have been many changes and improvements in the park! We've been sprucing up by painting, rebuilding benches, and adding new bookcases. No need to ask "when is there going to be hot water in the bath house?" We now have plenty of hot water! Repairs to the pavement will begin soon.

We hope you enjoy your stay here at the park. As always, we are ever mindful of your wishes!

Bill & Lois

## YARD OF THE MONTH

Congratulations to Richard and Maribell Martinez as the recipients of January's YARD OF THE MONTH. (Maribell was at work when the picture was taken). There will be a new YARD OF THE MONTH in February.

*February Is  
The Month Of Love*

Some interesting facts about love that will make your heart smile:

- ♥ Falling in love is like being on drugs. (For those who have no reference for this scientific conclusion, we'll have to have faith in the research)
- ♥ Animals commit to monogamous relationships too!
- ♥ Love is chemically addicting. (Again, with the reference to drugs)
- ♥ Love and laughter go hand in hand.
- ♥ Men fall in love faster than women, and they also fall in love at first sight more often than women.
- ♥ Love makes you do things you probably shouldn't. For instance, Paul Stuart broke out of jail to spend Valentine's Day with his girlfriend. (Wonder if he was in jail for drugs?)

## EDITORIAL

By: Robin Vaughan

I don't know about you, but I'm finding more and more often the events I like to participate in are cashless. What exactly does that mean? Well, it means you can't spend actual cash. The only forms of payment allowed are debit or credit cards, or payment through digital wallets (like Zelle, Paypal, Google Pay, Venmo or Apple Pay). I'm sure it's my age, but not being able to use the form of payment I choose to pay for purchases or services is kind of scary. What happens if the internet goes down and you're in line at the grocery store with a cart full of perishable foods? What will happen to piggy banks? Will the Tooth Fairy transfer funds to your grandchild's predetermined electronic account? How will 50/50 drawings be paid out? I have so many questions.

## BULLETIN BOARD

At the back of the hall, post notices on 3"x5" cards. Write the date posted on card. This board will be checked and kept neat. The cards will be removed every month. For more information see Prudy.

### Friday Morning Meeting

Free coffee and \$1.00 donuts at 7:45am. Information meeting at 8:30am. This is the place to find out what is happening in the park and any changes to scheduled events. All are encouraged to attend!

# PINECRAFT AN AMISH COMMUNITY IN SARASOTA

*Photos courtesy of Yoder's Restaurant & Amish Village.*

*By: Doug Vaughan*

In the 1920s, Amish and Mennonite farmers were persuaded to come to the Sarasota area primarily to grow celery, a common Amish crop. When they arrived, they found the soil was not suitable for celery crops. However, the weather enticed them to stay, or at least visit on a regular basis. They created the community of Pinecraft, a small area of about 500 homes at the intersection of Beneva Road and Bahia Vista Street. You know you're in Pinecraft when you see folks dressed in traditional plain clothing and prayer coverings, often riding adult tricycles

with large baskets on the back (a replacement for horse-and-buggy transportation, which is not allowed on city streets). The Amish community is a testament to the preservation of tradition. Here, the Amish have found a place to continue their way of life while contributing to the local economy.

Amish furniture stores are very popular and carry handcrafted wooden pieces that are beautiful examples of Amish craftsmanship. In addition to furniture, Amish shops also showcase quilts, handmade toys, and artisanal home decor. Amish restaurants also carry a variety of handcrafted items. The Amish community has made its mark on the local culinary scene with a handful of restaurants that offer a taste of traditional Amish fare. These establishments focus on hearty, home-cooked meals made from scratch, using fresh and locally sourced ingredients. The restaurants are closed on Sundays.

## CHAPEL

### A Heart For God, A Love For Others

(By: Chapel Elder Vincent Donnell, Pastor)

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind.

This is the first and greatest commandment.

And the second is like it: 'Love your neighbor as yourself.

(Matthew 22:37-39)

Having a heart for God begins with making God a priority and centerpiece of your heart and life. Allow your faith in God to flourish and live humbly before the Lord. Show love for others with kindness, compassion and respect, regardless of their background, beliefs or circumstances. Having a heart for God means to love Him with your life. Having a genuine love for others is what pleases God. We all have flukes and flaws, but God compels us to love and not focus on faults.

In the past few years, we have made over 250 quilts that have been donated to the pediatric ward in Brandon Hospital. When a child is admitted to the ward their bed is made up with a blanket or quilt that they take home with them when they are discharged. All the quilt tops are made with donated fabric. Batting and the flannel for the backings are purchased with money from the activities fund and some very generous donations from a gentleman in the park. All quilters and sewers are welcome!

## Want To Try A Fun Outdoor Activity?

Explore some of the local u-pick farms! It can be a great day in the sunshine! Many of the farms offer not only seasonal fruits and flowers for you to hand pick, but also farm stores, festivals, tasting experiences, music and fun!

**Strawberries:** December – March

**Oranges and Citrus:** Winter months, December – March

**Blueberries:** March – May

**Peaches:** Early spring

**Sunflowers:** Spring and Fall

Here are some pointers to make you day more pleasurable:

- Bring plenty of water;
- Be prepared to get dirty – ideally shoes should be closed-toe, old, or ones that are easily cleaned;
- Bring wet wipes, towels, paper towels – great idea to avoid tracking dirt into your car;
- Pack sun protection;
- Bring the right containers – some of the farms have bags and boxes to put your picked produce in, but it's a good idea to bring your own just in case. Keep in mind you're paying by weight, so lighter bags and baskets are a good idea.
- I would recommend calling, or checking the websites in advance of your planned trip to make sure their fields are open, and they have product available. The following are places I've been to or heard of. I'm sure there are other farms in the area.

# Cooking Corner

In keeping with the theme of love in the month of February, and in celebration of National Dark Chocolate Day, I hope you enjoy the following homemade brownie recipe:

### Ingredients:

- 1 ½ cups granulated sugar
- ¾ cup all-purpose flour
- 2/3 cup cocoa powder (sift if lumpy)
- ½ cup powdered sugar (sift if lumpy)
- ½ cup dark chocolate chips
- ¾ tsp sea salt
- 2 large eggs
- ½ cup canola oil or extra-virgin olive oil
- 2 Tablespoons water
- ½ tsp vanilla

### Instructions:

Preheat oven to 325 degrees. Lightly spray an 8x8 baking dish and line with parchment paper. In a medium bowl, combine dry ingredients. In a large bowl, whisk together the eggs, oil, water and vanilla. Sprinkle the dry ingredients over the wet, mix and stir until just combined. Pour batter into prepared pan. Bake for 40 to 48 minutes, or until a toothpick comes out with only a few crumbs attached. Cool completely before slicing.

Notes: It's better to take brownies out of the oven a little early, rather than leave them in too long! Also, the brownies will be super gooey when they come out of the oven. Let them cool at least 2 hours to allow them time to set-up.

### COCKTAIL OF THE MONTH:

Chocolate-heavy brownies pair beautifully with red wine – particularly Merlot or Cabernet Sauvignon. As I've posted before – choosing a wine shouldn't be the cause of anxiety! Prices of wines range from bargain basement to ultra expensive. The rule of thumb is: if you like it, drink it!

Another great pairing with brownies is scotch whisky! I'm not much of a spirits drinker, but I have had this combination before and it is so good! Again, your taste buds, your choice of whiskey.

*Call today for a FREE Under Home Inspection*

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,  
The Florida Anchor & Barrier Team*
