Hello All! Summertime Fun

The snowbirds will all be back north soon, but for those who are full-time residents we can schedule some fun activities to keep going through the summer.

We need your help for planning! We would like to arrange one off-site event for both June and August, as well as evening things to do in the park..

First, a Message from our Resident Board

Hello Coach House Residents:

Hope this message finds everyone doing well wherever you might be. I know some of you have left for the summer and some of you are staying here. I hope everyone that attended the April meeting feels that the meeting went well and had plenty of information for everyone. This was our last residents meeting until November 20, 2024. Also, a special thank you to Darryl Loker for his opening remarks on FL Statute 723 and the FMO. I hope everyone learned something from what he said.

Remember, the Residents Board is here to help and to keep everyone as informed as much as we can. On the rent issue, we as a board will continue to meet/talk with management to see if anything can be done about the **unreasonable rent increase this year**. We are as upset as all of you since it affects everyone of us. If you send me your email address (Roncoachhouse@gmail.com) I will update you as much as possible on happenings here at Coach House as they develop or I hear about them. If you are staying here at Coach House and wish for me to address an issue for something you see, please send a picture with a description of the issue. Pictures will help me to approach management to see what can be done and when. If you hear a rumor let me know and I will try to get a truthful answer for you.

Until November, please stay safe and God Bless everyone. Hope to see you at the meeting in November.

Ronald Lottig – President
Coach Residents Inc.

Special Activities this Month

Memorial Day Potluck in the Rec Hall. Monday, May 27, 5 pm.

Please bring a dish to pass and your table service. Chicken from Publix will be provided.

It is important to sign the sheet in the hall so we have a count for meat and what you will be bringing..

**Potlucks and grill activities
require a guest count.
If you are attending, please
sign up on the board in
the Rec Hall. Thank you.**

How to use the Rec Hall Kitchen

Due to a few circumstances going on in our kitchen, there will be a change.

When hosting an activity in the Rec Hall or Pool Hall, you will need to make a list of all the supplies and how many people are coming. Call or give this list to Linda Lynch (330-2012-4101) and she will gather the needed supplies and set them on the kitchen island.

You will return all utensils, clean, and put them back on the island.

There will be tape and marker to mark items that you buy for your own activities, as well as any items purchased for your personal use. Thank you.

For the men of the park

I'm taking a survey to see if there would be any interest in (once a month) going out to breakfast at one of our many restaurants.

There are no details as of yet until we find out of there is any interest.

My idea is to visit a different restaurant each month, but I am open to other suggestions.

If you have an interest, give me (Lou Courtney) a call at 867-674-8028.

Just a reminder to pay attention to our neighbors and make them aware that you are available if needed

The important thing to remember is we're letting our neighbors know they are not alone. We need to be a stronger and caring community.

Why belong to FMO?

Federation of Manufactured Homeowners of Florida

Are you upset about the recent lease increases? Don't know what to do about it?

The FMO has been working to improve your rights as a resident and homeowner for over 50 years. The team at FMO monitors legislation and lobbies government at both the state and national levels. Taxes, registration, insurance, repairs, zoning, resale and code enforcement are among the many elements the FMO is involved with which affect all owners of manufactured homes.

If you want a say in what happens in the lawmaking process, there is one entity that can give you a voice. The Federation of Manufactured Home Owners (FMO) is your lobbying group fighting to support laws that will benefit you, the mobile home owner.

Your membership in the FMO will give them a greater influence with the legislature. If we want to make a change in our relationship with the park owners, it can be done through the efforts of your FMO. It only costs \$30 per year to join. <https://www.fmo.org/membership-application>

Check out <https://www.fmo.org> for more information. Or call 321-214-4300. **Complaining on a Facebook page may make you feel better, but if you really want to help out, then consider joining the FMO as we fight for more equitable treatment from our park owners.**

MEMORIAL DAY

Memorial Day used to be called Decoration Day and it is a federal holiday in the United States for honoring and mourning those who have served and died in the armed services. From 1868 to 1970, it was observed on May 30. Since 1971, it is observed on the last Monday of May.

Many people visit cemeteries and memorials on Memorial Day. Volunteers place American flags on graves of military personnel in national cemeteries. Memorial Day is also considered the unofficial beginning of summer. The first national observance of Memorial Day occurred on May 30, 1868. Originally, the holiday began as a proclamation by Commander in Chief John Logan of the grand Army of the Republic to honor soldiers who had died in the Civil War. However, the National Cemetery Administration, a division of

the Department of Veterans Affairs, credits Mary Ann Williams with originating the “idea of strewing the graves of Civil War soldiers—Union and Confederate” with flowers.

Official recognition as a holiday spread among the states, beginning when Congress standardized the holiday as “Memorial Day” and changed its observance to the last Monday in May. There are two other days that celebrate those who have served or are serving in the U.S. military: Armed Forces Day (which is earlier in May), an unofficial U.S. holiday for honoring those currently serving in the armed forces, and Veterans Day (on November 11), which honors all those who have served in the United States Armed Forces. Many thanks to those who have served in the military.

Celebrating Mother's Day With Love & Gratitude

Mother's Day, May 12th, this year is a wonderful time to honor the special women in our lives who have been our supporters, caregivers, and friends. This day is dedicated to mothers, grandmothers, aunts, sisters, and all the maternal figures who have shaped us with their love and wisdom.

On this special day, consider heartfelt gestures that show your appreciation:

Express Your Feelings: A thoughtful note or a heartfelt card can be incredibly touching. Take the time to tell these wonderful women just how much they mean to you, recounting fond memories and expressing your gratitude.

A Mother's Day Tea: Host a tea party where friends can share stories, memories, and recipes passed down through generations. Encourage attendees to wear a piece of jewelry or clothing that belonged to their mother.

Enjoy Local Attractions: Whether it's a stroll through a park, a visit to a botanical garden, or a relaxing beach day, spending time outdoors is a great way to celebrate. These settings offer a peaceful retreat and a chance to enjoy each other's company in nature.

Connect Over a Meal: Organize a simple yet special meal, whether it's a picnic in the park or a quiet dinner at home. Cooking for or with your loved ones can add a personal touch to the day and create new memories.

Pamper Them: Encourage the important women in your life to take some time for themselves. Whether it's reading a good book, enjoying a spa day, or simply relaxing at home, make sure they know today is all about their comfort and happiness.

This Mother's Day, let's take the opportunity to show our love and appreciation for the women who enrich our lives every day. It's a chance to celebrate these incredible relationships and create moments that will be treasured for years to come. Wishing everyone a joyful and loving Mother's Day!
