## Editor's Notes

Hi Everybody, I first of all want to apologize to all those who had a birthday or anniversary in April as there was an error with January details being published. I have published both April and May in this edition. I would like to point out that should you see something wrong, irrespective of topic please inform me so I can take corrective action.

Things are much quieter now with the vast majority of our snowbirds having headed north for the summer. Just a reminder to submit pictures/articles of your activities so we can all share.

Ric Tyrer

Please note that any of the editorial staff can be reached by email at [SwanLakeVillageWaves@gmail.com](mailto:SwanLakeVillageWaves@gmail.com)

## Submissions

Submissions of interesting articles are always welcome. Reports of community activities, interesting articles, pictures and reminders may be submitted via e-mail to Ric Tyrer at [SwanLakeVillageWaves@gmail.com](mailto:SwanLakeVillageWaves@gmail.com) by the 10<sup>th</sup> of the month for the next issue. It is our pleasure to consider all such articles for publication.

### Insulation and Vapor Barrier Repairs

- Lifetime Vapor Barrier • Guaranteed for Life • Prevent Soft Floors • Lower Your Electric Bills
- Keep Mold, Mildew, Rats, Snakes, Spiders, Ants, Roaches and Moisture OUT of Your House!

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,  
The Florida Anchor & Barrier Team*

## Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!

## HOA President's Message

Being a member of the Federation of Mobile Home-owners recently proved to be useful with the notification of the Tie Down program. It has proven useful again making us aware of Senate Bill 1378. There are significant recommendations in this bill which will hopefully prove beneficial to you as a resident. I spoke on this at our April meeting, however, I want to make sure ALL residents are informed. The Federation produced a letter which, if you so wish, you can submit it to Senator Joe Gruters. You can obtain a copy of the letter from our website or a hard copy from a Board member.

The new event program for the period May 2023 to April 2024 is published in this edition. We have taken a slightly different approach which allows for the function theme to be decided by the host. It is hoped this will give a greater variety and new ideas.

## From Management

Dear Residents,

It's hard to believe we're at the end of our snowbird season already! It certainly flew by. I think this season was a rousing success. A huge thank you and shout out needs to go everyone who volunteered and hosted so many events this year. I'm sure next year will be even busier.

For those of you leaving us behind to head for the cooler northern climate, keep in mind a few things. First, please complete a We Will Be Away form. These are located in the flyer holder on the clubhouse wall in the hallway. It is your responsibility per the Rules and Regulations to inform the office of your departure. You will need to ensure your home is secure and anything not permanently anchored down is appropriately stored. We experienced firsthand exactly how much damage winds can do.

I'd also like to remind our snowbirds that in addition to securing your home, you must also make arrangements for the weeding/edging/and trimming to be done while you are gone. Please make sure the office has updated contact information so we know how to reach you in case of an emergency. If you have not already power washed your home, I highly suggest having it done before your departure.

If you are new to the community this year and are unsure of what should be done to your home prior to leaving, attached to the We Will Be Away form are recommendations for closing your home. As always, if you have any questions, please call the office.

Farewell Snowbirds and see you in the Fall!

Katie Boisvert

## **Swan Lake Welcome Committee**

I've made an attempt to contact all new residents on my list. I apologize if I have missed you. Call me at 413-774-0064 so that I may get in touch and welcome you to Swan Lake Village.

Sincerely,  
Kathy Franklin

## Some Things We Need to Remember

- Please be sure to obey all traffic signs throughout our community. Please also be aware of and respect pedestrians and bicyclists.
- Please walk your property to make sure it looks clean and trimmed. Be sure to inform the office who will be responsible to keep it trimmed if you are going to be away.
- Make sure management has your current phone numbers and e-mail addresses.
- Let the office know if you are leaving for an extended period of time.
- Make sure all visitors are registered with the office when they arrive and when they leave.
- If you are having work done on or around your home, make sure the contractors are qualified, bonded, licensed and insured.
- If you have concerns about safety in our community, please dial 911 for assistance from Manatee Sheriff's Patrol. Help keep our park safe.
- Please follow the Southwest Florida Management guidelines for use of lake water on your lawns. In addition, all timers on sprinkling systems must be outfitted with rain sensors to shut off the system in the event of a rain shower.
- Parking in the clubhouse parking lot requires a parking permit issued by management.
- If you have pets, they may be walked in the areas designated for this purpose. They may be walked on community streets as long as they are on a non-retractable lease no longer than 6 feet and their waste is promptly picked up and disposed of properly. Picking up after your pet is a must to keep our community clean. Do not allow your pet on other resident's yards. No pets are allowed in the clubhouse, parking lot or pool area. Visitors are not allowed to bring animals into the community.
- Please do not postdate rent checks.

## Book Nook

### The Lending Library

Books, DVDs, and puzzles are available free for all community residents to borrow. To return borrowed articles simply place them into the Returns Basket on the table in the library area.

To donate items that are in good shape, please bring them to the library for consideration. Place them in the Returns Basket to be sorted and filed. The only books that are accepted are novels, especially those by popular authors. At this time VHS tapes and nonfiction books (cookbooks and instructional books) cannot be placed into the library. Any unaccepted donations will be taken to Goodwill for disposal.

## WORDS OF WISDOM FROM SHERIFF CHRIS

Following are some safety & crime prevention tips from our friendly Sheriff Chris Ralston:

### 1) If you See something, Say something.

To report emergencies, crimes or critical information call 911

To report non-critical information call 941-747-3011 extension 2260

To report suspected drug activity call 941-747-3011 extension 1100

As preached so very often, do not be afraid to call the sheriff's office.

### 2) Lock it or lose it.

#### Schemes by the Bad Guys

Watch out for Distractionary Burglary. Sheriff Chris states this is still a very real scam. This is where one person claims to be a salesman or repairman to get you outside your house and distracted while another burglarizes your home. A bad guy can quickly go to the master bedroom, which is where many people keep their most valuable items such as guns, jewelry, money and prescription medicines. And anytime you leave your house, lock the door.

Be careful of numbers that show on your telephone when receiving a call. Many of them are spoofed and are not the actual number calling you. Never give any personal information to an inbound caller and do not call the number shown on your caller ID. If you suspect the caller is legitimate, hang up and call the number you have on file for that entity.

Be a wise consumer when choosing a company with which to do business. Two very valuable tools are personal referrals and online reviews.

As we approach the holidays, remember the bad guys are as anxious to have a good holiday as you are. Thus, be especially careful with your purse and wallet. If you are out shopping, put your packages in your trunk, if you can, and never leave your vehicle unlocked. As you go from one store to the next, do not leave your car in the same spot, make it look like you are leaving, then park in another spot.

Two big items seem to be popular for pilfering lately; 20-pound propane tanks and, as always, bicycles. Make sure they are secure.

Be aware that since the snowbirds are coming back and the Canadian border is open, traffic is greatly increased. Be careful when you drive. Don't use your cell phone while driving.

If your car has a fob to start it, do not leave your fob in the car. In your home, it should be far enough away from the car so it does not keep it from locking.

When making purchases in a store or online, be aware that credit cards have far more fraud protection than a debit card. This is especially important when making online purchases...

Remember, each individual is responsible for their own security. Be aware of your surroundings and your neighborhood. If something doesn't seem right, it probably isn't. Call the sheriff's department; better safe than sorry.

# LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

*Call today for a FREE Under Home Inspection*

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

# Pot Luck Dinner (Hawaiian Night)

The "Hawaiian Night" Pot Luck was held on March 20th. Grass hula skirts and flowered shirts adorned our clubhouse, along with many themed pineapple foods and desserts. The "Not So" Newlywed Game was played and there were hula dancers gaining much applause! A few rounds of Bingo rounded out the night before a host of prizes and the 50/50 drawing. There were lots of laughs and a fun night for all with our Swan Lake friends! Until the next one.....
