Message from the President

Greetings, Featherock Residents!

It looks like Spring has Sprung! Hopefully, this Quill finds everyone doing well!

First of all, I would like to say "So Long" to one of our residents. If you have not heard, Karen Merwin, who has been living with us for several years, passed away in March. Karen was an active part of our Water Aerobics, was on our Welcome Committee, and even delivered Quills from time to time. We will miss her, and I am confident she is at Peace now, at the feet of her Savior. All who knew Karen loved her.

I know we have mentioned this before, but with Karen's passing this is a good time to bring it up again. If you live alone or if both of you are up in years, it makes sense to have another family member on your title. We are never promised "tomorrow" so protect yourselves by securing your home by having another family member on your title.

Well, if you have not heard by "word or mouth" or at the March Board Meeting, we had our Mediation Meeting with ELS on February 21st. The meeting was attended by members of our Statutory Committee, along with our Attorney, and ELS Corporate Regional Managers and their Attorney. We presented a very good case for them to reduce the 5.75% rent increase to a more manageable amount, but they declined to budge. Their Attorney said they felt they were where they wanted to be to be in line with other rents in the area. After all was said and presented, they said they would be willing to drop their original 5.75% by one half of one percent and they would put some pool furniture

at the pool, which is nothing, and unacceptable. For any reduction they would offer we would have to sign an agreement that we would not litigate for any past problems, which again was unacceptable.

If you have not seen the repairs made to the north pool pavilion, look. We have only been asking for those repairs to be done for a little over a year. Well, it has finally been done. Our electronic sign at the front of the park has been sitting there, unable to be used, for well over a year, and it still is not functional. We have broken pool furniture and broken tables at the Clubhouse, and instead of repairing or replacing them, our Management Team just removes them. These are just some of the things that we have been bringing to the attention of Management for quite some time.

After discussions with our Attorney, he believes that we would have a good case if we decided to take ELS to court for the lack of services we have received, along with the lack of attention to the conditions of the park over the past couple of years. With that being said, we will be having a special meeting with our resident and our Attorney in the upcoming days, to get an idea of what would be needed and/or accomplished with filing a lawsuit against ELS. As we move forward be watching for details of that meeting with our Attorney. He believes that due to our Clubhouse being closed for seven months and the fact that we are so frequently without management on campus, we have a good case. We will get the information out as best as we can so we can have a respectable number of our residents at that meeting.

(continued on page 2)

Message from the President

(continued from page 1)

I know this news is not the news you want to hear but we did our best to present to ELS that they could not justify the rent increase they gave us. We feel that we are being forced into an area where we have never been before, all because of the lack of concern for our residents by our park Owner and their demand for profits for their investors. ELS is a publicly traded company, so their profits are published. In the first nine months of 2023 the company reported making over \$288 million dollars. We feel they need to put more of that money back into our park to make it a better place to live.

I just want to remind everyone that, as usual, our BINGO will be shutting down after the last Monday in May, for the summer. We will close down for June and July, giving our BINGO workers a chance to relax and travel to visit family. We will start back on the first Monday in August with BINGO and our Bingo Kitchen. See you at an event soon!

Mensaje del Presidente

¡Saludos residentes de Featherock! ¡Parece que la primavera ha llegado! ¡Esperemos que esta pluma encuentre a todos bien!

En primer lugar, me gustaría decir "Hasta luego" a uno de nuestros residentes. Si no lo has escuchado, Karen Merwin, quien ha estado viviendo con nosotros durante varios años, falleció en marzo. Karen fue parte activa de nuestros aeróbicos acuáticos, formó parte de nuestro Comité de Bienvenida e incluso entregó Quills de vez en cuando. La echaremos de menos, y estoy seguro de que ahora está en paz, a los pies de su Salvador. Todos los que conocían a Karen la querían. Sé que hemos mencionado esto antes, pero con el fallecimiento de Karen, este es un buen momento para volver a mencionarlo. Si vives solo o si ambos son mayores de edad, tiene sentido tener otro miembro de la familia en tu título. Nunca se nos promete "mañana", así que protéjanse asegurando su casa al tener otro miembro de la familia en su título.

Bueno, si no ha escuchado "de palabra o de boca" o en la reunión de la junta directiva de marzo, tuvimos nuestra reunión de mediación con ELS el 21 de febrero. A la reunión asistieron miembros de nuestro Comité Estatutario, junto con nuestro Abogado, y

los Gerentes Regionales Corporativos de ELS y su Abogado. Presentamos un muy buen caso para que redujeran el aumento del alquiler del 5.75% a una cantidad más manejable, pero se negaron a ceder. Su abogado dijo que sentían que estaban donde querían estar para estar en línea con otros alquileres en el área. Después de todo lo dicho y presentado, dijeron que estarían dispuestos a bajar su 5.75% original en la mitad del uno por ciento y que pondrían algunos muebles de piscina en la piscina, lo cual no es nada e inaceptable. Para cualquier reducción que nos ofrecieran, tendríamos que firmar un acuerdo por el que no litigaríamos por ningún problema pasado, lo que también era inaceptable.

Si no has visto las reparaciones que se han hecho en el pabellón de la piscina norte, mira. Solo hemos estado pidiendo que se hagan esas reparaciones durante poco más de un año. Pues bien, por fin se ha hecho. Nuestro letrero electrónico en la parte delantera del parque ha estado allí, sin poder ser utilizado, durante más de un año, y todavía no funciona. Tenemos muebles de piscina rotos y mesas rotas en la Casa Club, y en lugar de repararlos o reemplazarlos, nuestro equipo de administración simplemente los quita. Estas son solo algunas de las cosas que hemos estado llamando la atención de la Administración durante bastante tiempo.

Después de las discusiones con nuestro abogado, él cree que tendríamos un buen caso si decidiéramos llevar a ELS a los tribunales por la falta de servicios que hemos recibido, junto con la falta de atención a las condiciones del parque en los últimos años. Dicho esto, tendremos una reunión especial con nuestro residente y nuestro abogado en los próximos días, para tener una idea de lo que se necesitaría y / o lograría con la presentación de una demanda contra ELS. A medida que avanzamos, estén atentos a los detalles de esa reunión con nuestro abogado. Él cree que debido a que nuestra Casa Club estuvo cerrada durante siete meses y al hecho de que con tanta frecuencia estamos sin administración en campus, tenemos un buen caso. Difundiremos la información lo mejor que podamos para que podamos tener un número respetable de nuestros residentes en esa reunión. Sé que esta noticia no es la noticia que quieres escuchar, pero hicimos todo lo posible para presentarle a ELS que no podían justificar el aumento de alquiler que nos dieron. Sentimos que estamos siendo forzados a entrar en un

área donde nunca antes habíamos estado, todo debido a la falta de preocupación por nuestros residentes por parte de nuestro propietario del parque y su demanda de ganancias para sus inversionistas. ELS es una empresa que cotiza en bolsa, por lo que se publican sus beneficios. En los primeros nueve meses de 2023, la compañía reportó haber ganado más de \$288 millones de dólares. Creemos que necesitan invertir más de ese dinero en nuestro parque para convertirlo en un mejor lugar para vivir.

Solo quiero recordarles a todos que, como de costumbre, nuestro BINGO cerrará después del último lunes de mayo, durante el verano. Cerraremos durante junio y julio, dando a nuestros trabajadores de BINGO la oportunidad de relajarse y viajar para visitar a la familia. Volveremos a empezar el primer lunes de agosto con BINGO y nuestra Cocina de Bingo.

¡Nos vemos pronto en un evento!

A Few Reasons to Join the HOA

The homeowner's association is designated for the purpose of meeting with the park management to discuss issues affecting the residents. Some of the issues your HOA is here to address are:

- * Addresses reduction in services/quality of services with management
- * Addresses issues with the amenities
- * Addresses changes in rules and regulations
- * Addresses living conditions such as security and maintenance issues
- * Acts as a liaison between residents and park management

A few other things your Featherock HOA does that you may not be aware of are:

- * Publishes and delivers your monthly newsletter "The Quill"
- * Publishes and delivers your yearly directory/ phonebook
- * Hosts bingo and runs the bingo kitchen on Mondays from September to June
- * Hosts daily/weekly/monthly activities such as Line Dancing, musical bingo, holiday events and parties, cooking contests, water aerobics, game night, etc
- * Provides welcome packets to all new residents. Have you paid your \$12 annual dues yet? If not, why not?

Thank you!

Additional Line Dancing Lessons

I'm so happy to be able to offer additional Line Dancing lessons for those who are interested!

My friend, Emily Corn, will be in the clubhouse on Tuesday afternoons at 1:30 offering 90-minute lessons for \$3 per person. Emily has been teaching Line Dancing at O'Brien's Irish Pub for several years. She is a great dancer and an even better instructor.

I will still be offering our Thursday evening line dance classes with Kathy Brown, from the Dallas Bull. Thursday evening classes start at 6:45 PM in the clubhouse and are also \$3 per person.

Please check your Quill calendar for upcoming classes. I hope to see you dancing soon!

NOTE THERE WILL BE NO LINE DANCING ON APRIL 16TH

Bilingual Assistance Needed

We are in desperate need of bilingual or Spanish speaking residents to aid us with HOA projects.

Currently, we are looking for someone to join our membership committee and aid with renewals and new members. We also need someone for our welcoming committee to greet new residents and deliver packets of information.

Please contact any board member if you can donate 1-2 hours per week to help with special projects.

Thank you!

Se Necesita Asistencia Bilingüe

Necesitamos desesperadamente residentes bilingües o de habla hispana que nos ayuden con los proyectos de HOA.

En este momento, estamos buscando a alguien que se una a nuestro comité de membresía y ayude con las renovaciones y los nuevos miembros. También necesitamos a alguien para nuestro comité de bienvenida que dé la bienvenida a la nueva residencia y entregue paquetes de información.

Póngase en contacto con cualquier miembro de la junta si puede donar 1-2 horas por semana para ayudar con proyectos especiales.

Featherrock's Hidden Gems

Summer is coming which means it is time for us to say goodbye to our friends from up north. I wanted to send a special thank you to Gail and Tom Myer for all the things they do for our community while they are here and even after they return home to Wisconsin.

Gail helps in so many different ways. She is one of the volunteers that deliver the Quill each month. She is also in charge of our greeting card program and personally signs and delivers get well and sympathy cards to folks in the community. She is an amazing baker (recently received an award in our Featherrock dessert contest) and she has baked and donated several desserts to the Bingo kitchen. People are still asking for more of her cheesecake!! One person even commented that it was the best cheesecake he's had since he lived in Greece, ---Where cheesecake was invented.

And Gail's husband, Tom, always helps around the community setting up and cleaning up our events as well as working tirelessly every Monday night in the bingo kitchen.

I did not want to let the season pass without letting them know how much we appreciate them and all they do for us while they are here.

Safe travels to you both. We will be waiting for you in the fall. ❤️

*Thank you!
